#### TO ALL CONCERNED PERSONS AND AGENCIES:

Staff has prepared tentative Waste Discharge Requirements for the City of Lathrop Water Recycling Plant. Any comments or recommendations you may have concerning the enclosed tentative Order should be submitted to this office by 28 August 2006 in order for us to give them full consideration prior to the **14/15 September 2006** meeting of the Regional Board.

To accommodate the Discharger's request to have this Order heard at the **14/15 September 2006** Board meeting, the tentative Order will be placed on the consent calendar as enclosed for that meeting, unless comments or recommendations are received by **21 August 2006**.

In order to conserve paper and reduce mailing costs, a paper copy of the tentative WDRs has been sent only to the Discharger. Interested parties are advised that the full text of the WDRs is available on the Regional Board's web site at <http://www.waterboards.ca.gov/rwqcb5/tentative> under the heading of "Discharger-Specific Orders for Future Board Meetings."
